EXPERIENCE:

Celebrity Fitness Trainer, Debbie Siebers, is an icon in the fitness industry. She is the creator of the wildly popular "Slim in 6" DVD through Beachbody. Siebers' program has been selling for 17 years, and is the second longest running infomercial in the United States. It is currently airing Internationally, has been one of the top selling fitness dvd's in the UK. It is also available on Beachbody's digital platform,

www.BeachbodyOnDemand.com. “Slim in 6” has grossed well over \$250,000,000 to date.

- Co-Hosted TV Show “Fitting It In” with FIT TV and Fitness Infomercial “Body Vibes” with Thane International, which was in the top 10 Infomercials back in 1999.
- Fitness Expert on “The Swan” with FOX, “National Body Challenge” on Discovery Channel and “Swimsuit Slimdown” on the Travel Channel.
- Creator of the highly successful program, “Slim in 6” with Beachbody. It has been selling through her TV infomercials for the past 17 years and has made over \$250,000,000 to date.
- Creator of the advanced program with Beachbody, “Slim Series”, as well as 30 minute routines, “Slim Series Express”, and her healing program, “Total Body Solution”, which are all selling through Beachbody’s website.
- Motivational and Keynote Speaker in Appleton, WI, for their Wellness Day, and Keynote Speaker for the Women’s Symposium in Panama City Beach, FL.
- In 2016, she partnered up with Fadi Sayegh to start their own health and wellness company, www.LIVATI.com, which stands for LIVE.VITALITY.WELLNESS. The company is targeting the 50+ audience, people with limitations, overweight people and anyone who is looking for low-impact, joint friendly and restorative routines. Her new exercise program, BODY DYNAMIX, consists of 9 routines that are now available digitally and on DVD at www.Livati.com.
- Ambassador for IdealShape.com.
- December, 2017, she shot a TV Commercial for Bio-Te, a hormone optimization Company that is currently airing on NBC. She will also shoot several one-minute interview segments as a Spokesperson for this advanced hormone pellet therapy.
